

**Chris Ford**

**WHAT INTERESTS YOU ABOUT THIS POSITION AS A DIRECTOR ON THE EOCP BOARD?**

I am Interested in furthering my career in water and wastewater field. Since completing my Water Engineering Technology diploma I have wanted to be more involved with the industry. I feel there is not enough representation from the interior of BC and would like to change that. I am excited for the different committees and the opportunity to network and grow in the field.

**WHAT ARE THE MOST IMPORTANT FUNCTIONS OF A DIRECTOR OF THE EOCP BOARD?**

Attending the 4 meetings a year, the AGM, and voting in bylaws and amendments, as well as setting the fees for licensing and exams. Performing committee tasks in a timely and professional manner.

**WHAT SKILLS, KNOWLEDGE, AND ATTRIBUTES WOULD YOU BRING TO THE EOCP BOARD?**

I work at the West Kelowna wastewater treatment plant as a level one operator. I graduated in 2017 from the Water Engineering Technology course at Okanagan College. I am trained and work in utilities as a backup. I have a GradTech designation with ASTTBC and am working towards my AsCT this year. I hold a wastewater treatment 2, collection 1, water distribution MU, and OIT. I also have a Business Administration diploma in Finance from SIAST.
