

Mike Firlotte

WHAT INTERESTS YOU ABOUT THIS POSITION AS A DIRECTOR ON THE EOCP BOARD?

Being an EOCP Director gives me the opportunity to be a voice in influencing how certification and classification is applied to the Operators in BC and Yukon and the operation of their facilities.

WHAT ARE THE MOST IMPORTANT FUNCTIONS OF A DIRECTOR OF THE EOCP BOARD?

Ensuring that decisions involving certification is done fairly, consistently, and represents the needs of the Operator who I would be on the board for.

WHAT SKILLS, KNOWLEDGE, AND ATTRIBUTES WOULD YOU BRING TO THE EOCP BOARD?

I have been in the water and wastewater industry for close to 25 years. I have been fortunate to work with a large number of systems and operators in a variety of roles from Junior Operator to Director which gives me a unique perspective on the industry as a whole. I served as an EOCP Board Director from 2017 – 2019 and served as past Board Chair in 2020.

I am also an active trainer for Yukon University imparting my knowledge with a northern perspective with challenging small systems.
