

Monday, 11 September	Start	End	Day 01: Registration, Pre-conference Workshop, and Tradeshow					
	8:00am	12:00pm	Filter Surveillance Workshop with Garry Drachenberg and Dave Hambley (in-person only)					
	11:00am	5:00pm	Registration					
	12:00pm	1:00pm	Lunch					
	1:00pm	6:00pm	Tradeshow					
	5:00pm	6:30pm	Chair's Reception (all in-person delegates are welcome to attend)					
Tuesday, 12 September	Start	End	Day 02: Tradeshow and Technical Sessions					
	7:30am	8:15am	Coffee with Jennah and Tradeshow Tour					
	7:30am	8:30am	Breakfast					
	7:30am	4:30pm	Tradeshow					
	8:30am	10:00am	Opening with Kalpna Solanki and Tara Macrae, and Keynote with Steve Howe					
			Water		Wastewater		Leadership	
	Start	End	Presenter	Topic	Presenter	Topic	Presenter	Topic
	10:00am	10:15am	Break					
	10:15am	11:00am	Brent Williamson - IPP West	What is corrosion in water infrastructure, and how to stop it?	Ben Kineshanko - District of Squamish	Infrastructure failure, response and recovery - Queensway Lift Station Inlet Manhole Failure	Jason Hindson - Orca Safety	Rescue that Makes Cents, Planning for Confined Space Rescue
	11:15am	12:00pm	Carla Holowaychuk - Clow Canada	Hydrant and valve training	Hunter Howard - ACC Water Solutions	FOG Management Strategies in Wastewater Treatment		
	12:00pm	1:00pm	Lunch					
	1:00pm	1:45pm	Cameron McCormick - LNG Canada	An Overview of Water Treatment Systems at LNG Canada	David Newman - Brown and Caldwell	Annacis WWTP Stage 5 Program: A Large-scale Program Implemented in Bite-sized Pieces	Lu Ripley - Crisis Centre BC	Suicide Alertness Fundamentals
	2:00pm	2:45pm			Ryan Hennessy - Ryan Hennessy Wastewater Microbiology	Enhanced Biological Phosphorous Removal		
	2:45pm	3:00pm	Break					
	3:00pm	3:45pm	Shawn Dubois - IDEXX Laboratories	Enzymatic methods for detection of bacterial indicators of water quality, specifically total coliforms and E. coli	Chris Kerman, Chandana Sundar, and Jennah Merchant	Wastewater Jeopardy	Bart Nelissen - MPE Engineering Ltd	Nine features that will shape future SCADA systems
	4:00pm	4:45pm	Colin Robins and Scott Grover - Summit Valves and Controls Inc	Intelligent Control Valves - Latest innovations in control valve data acquisition			Sam Ghosn - DIPRA	Navigating a challenging future with proper watermain design, installation, and asset management
	4:30pm	5:00pm	Tradeshow (Tear-down)					
	5:45pm	10:00pm	Reception and Awards Dinner with Cliff Prang (MC) and Ten Souljers (Band)					
Wednesday, 13 September	Start	End	Day 03: Technical Sessions					
	7:30am	8:15am	Coffee with Jennah					
	7:30am	8:30am	Breakfast					
	8:30am	10:00am	Emergencies: How Prepared are We? With Kalpna Solanki and Andrew J Whelton					
			Water		Wastewater		Leadership	
	Start	End	Presenter	Topic	Presenter	Topic	Presenter	Topic
	10:00am	10:15am	Break					
	10:15am	11:00am	Ray Menard and Dhaval Vaghasiya - ACC Water Solutions	Management Techniques for Raw Water and Storm Water	Soyean Kim - SFU	Genomic wastewater surveillance in smart cities	Kalpna Solanki and Panel	Big, bold, brash...the circular water economy, and the future of water
	11:15am	12:00pm			Raymond Chin - WSP Canada	Squamish WWTP - 2023 Upgrade	Valerie Jenkinson - Operators without Borders	Updates from OWB
	12:00pm	1:00pm	Lunch					
	1:00pm	1:45pm	Cheryl Capron - Retired Professional Operator	Plan. Disaster. Pivot - Emergency Response and Operator Development	Toni Glymph-Martin - Wastewater Microbiology Solutions	Wastewater Microbiology & Process Control	Wendy Bennett - AgSafe	Stress and Anger Management - YELLING is NOT the answer
	2:00pm	2:45pm	Darcy Dion - Tsawwassen First Nation	Fire Hydrants - hydrants 101 and lessons learned	David Speed - BioMaxx Environmental	Odour and Corrosion control in Collection System - Case study from AB and BC		
	2:45pm	3:00pm	Break					
	3:00pm	3:45pm	Nichole Harper - Pacific Flow Control Ltd	Give Pressure the Respect it Deserves - water and air pressure	James Carter - Octaform	Cost-effective containment tank construction with Octaform	Alvin Pilobello - mindspace!IMPACT	Leveraging Your Team's Diversity
	4:00pm	4:45pm	Jonathan Yeung - Spartan Controls Inc.	Advancements in Non-Contacting Level Measurement				
Thursday, 14 September	Start	End	Day 04: Women of Water Sessions					
	8:00am	9:00am	Breakfast					
	9:00am	10:30am	Practical solutions for surviving and thriving in a male-dominated environment with Alison Chan					
	10:30am	11:00am	Break					
	11:00am	12:30pm	Self-empowerment, belonging, and knowing that you've earned your position with Wendy Bennett					
	12:30pm	1:30pm	Lunch
