EOCP2026 CALL FOR PRESENTATIONS

For six decades, the EOCP has supported and elevated Operators and facilities across the industry—helping safeguard human health and the environment through strengthened knowledge, skill, and professional excellence.

As we celebrate EOCP’s 60th anniversary, we invite you to be part of this milestone event. With the theme: **EOCP 60th: Past, Present, Future – Powered by EOCP Operators**, we’re looking for presentations that honour the history of water and wastewater operations, reflect on how far our sector has come, and look boldly toward the innovations and operational practices that will shape the next 60 years.

Whether you highlight the evolution of a system, celebrate lessons learned at your facility, or explore new approaches that will empower Operators of tomorrow, we’d love to hear from you!

Notes:

- **Sessions are 60 minutes.** Hands-on, interactive, or participatory elements are strongly encouraged wherever possible.
- **Topics of Interest:** We welcome sessions that celebrate the past while advancing the future, including (but not limited to):
 - Leadership and team building in operational environments
 - Operational efficiencies and evolving best practices
 - Safety, compliance, and risk mitigation
 - Innovation in operations and technology
 - Case studies—both historical and forward-looking
 - Facility or system evolution stories reflecting on decades of change
- **Compensation** - As a not-for-profit event, we cannot offer speaker honoraria. Presenters selected to speak will receive a discounted conference rate.
- **Commercial Products** - While we welcome presentations highlighting new and innovative products and services, the presentation platform is not to be used for commercial gain or an improved business position. We offer sponsorship and exhibitor opportunities for product sales.
- **Review Process** - All submissions will be acknowledged by e-mail. A follow up e-mail will be sent to those speakers who have been selected to present at EOCP2026

Please submit your **form and a photo by the 31st of July 2026** to hreynolds@eocp.ca
